**UNOPPOSED MOTION TO EXTEND DISCOVERY DEADLINE**

Defendant, Warfield-Rohr Casket Company, Inc., by its attorneys, requests that the Court extend the discovery deadline in the above-captioned matter until September 30, 2004 for the reasons set forth below:

1. On June 29, 2004, the Court held a telephonic scheduling conference in this matter and established a discovery deadline of August 30, 2004. At the time that the discovery deadline was set, the parties believed that the EEOC would be able to provide certain supplementary information to Defendant sufficiently in advance of the discovery deadline to allow certain additional discovery to be conducted.
2. The parties need additional time to provide the supplementary information and conduct the remaining discovery.
3. The parties believe that an extension until September 30, 2004 will be sufficient.
4. Such an extension will not conflict with the trial in this matter which is scheduled to begin on February 22, 2005.

5. The EEOC is not opposed to this extension.

WHEREFORE, Defendant requests that the Court extend the discovery deadline until September 30, 2004.

Respectfully submitted,

/s/ Charles S. Hirsch
